Why can't women file sexual harassment charges? No one says it has to be from the opposite sex. He walks around with an erection should be just caused.

How is this happening in Wyoming, of all places. The Wyoming that I remember would have a mob of cowboys going over to that sorority house and doing some frontier justice. WTF?

It is a discrimination against a minority, women. Woman have rights too. It is a women's only sorority. No men who call themselves woman are allowed. They are men, men ,men.

But Jenner accepted "woman of the year". Then men were winning beauty contests, getting awards from the WH for Women's History Month, competing in women's sports. Lets call a spade, a spade. This all started somewhere. People can do what they want, but Jenner affected everyone.

Wow, Oli, the DeSantis Team was just trashing Caitlyn this morning, while you were calling him a "hero".

DeSantis also made it harder for adults to transition, which should be any adult's choice to do what they want, as an adult. "Land of the Free"

Weird takes.

Isn't @Caitlyn_Jenner just a man dressed as a woman as well? Why do I have a feeling that America would be fine with him inside a sorority?

Isn't this a double standard what makes Bruce Jenner acceptable and this other guy not?

Its ironic that a man had to stand up to protect women. As though The voice of women are not interesting or has been silenced. Men clearly have more power.

Although I have no problems with Caitlyn I always liked Bruce the person, so I'm not going to hate him. I have to say the Trans issue really blew up after he did it. What I like is that the way he feels and talks you wouldn't know he went through it because he makes sense.
